A man in a purple t-shirt and black shorts stands inside a small, white-framed soccer goal with a white net. He is holding a red and orange object, possibly a small robot or a toy, and has his left hand on the top bar of the goal. A wooden chair is positioned in front of the goal, and a soccer ball is on the grass nearby. The scene is set outdoors on a grassy field with a dense line of green trees in the background. The lighting suggests it is late afternoon or early morning, with long shadows cast on the grass. The shadow of the person taking the photo is visible in the bottom right corner.
